**PRICED
TO
SELL!**

DESCRIPTION: Two-story office / retail building with parking. Front building is comprised of +/- 2,200 square feet. Currently the ground floor accommodates two retail spaces: one space of 400 square feet and the other space of 700 square feet. One is vacant and the other is leased a month-to-month basis.

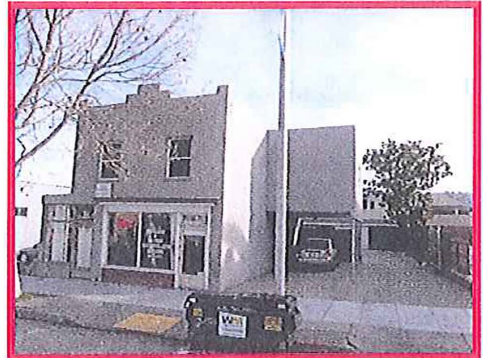

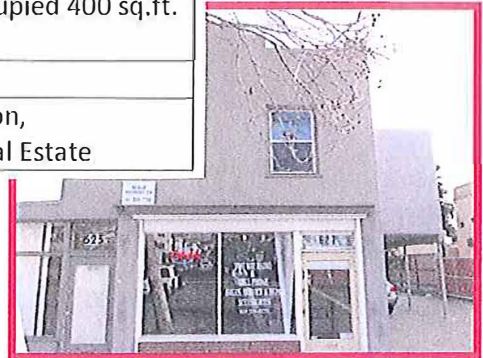

The second floor office space comprises 1,100 square feet, including entry reception, two large offices and a third average-sized office. Additionally, there is 1,000 square feet of work space on the rear portion of the lot.

Lot comprises +/-5,000 square feet with four parking spaces.

The building would benefit from some renovation and can be delivered vacant or leased to month-to-month tenants.

BUILDING SIZE: +/- 3,200 square feet, dividable.

PRICE: \$625,000 – \$225 per square foot main building;
\$130 per square foot rear building.
